Some very fine Coats for young women---\$75 and \$89.50

Coats of this superior character are excellent investments, as the materials are of excellent quality. And while the styles are smart, they are not ultra.

Coats at \$75

One model in plain wool velours, with large collars of nutria; reindeer, taupe or brown. Another model in tinseltone; large gathered collar is edged with wide band of nutria, which when the collar is fastened close to neck gives the effect of being a fur collar; Pekin blue, brown or reindeer. Both models are lined with plain peau de cygne to match cloth.

Coats at \$89.50

are in the model illustrated. Large shawl collar is of nutria and the material is a soft fine quality of wool velours, interlined and lined with plain colored peau de cygne; reindeer, taupe or brown.

New Silk Frocks \$37.50 to \$45

Stunning little frocks of taffeta and crepe de chine for early season wear—two models at \$37.50 and the one illustrated at \$45; latter is in taffeta. Dark brown, black or navy blue. Too many new ideas in these frocks to enumerate.

Gloves at \$1.15

Clean-up of Women's

We've had a housecleaning in the glove section in odds and ends of our own good stocks, and they have all been reduced for a quick clearance, Saturday.

Included are black and white French kidskin, lambskin, tan capeskin and gray woolen gauntlets, so desirable for present wear. For motoring or skating.

No complete range of sizes in any line, but in the collection are sizes 5½ to 7½ and a few extra large sizes.

Also 1200 pairs of French kidskin gloves, \$2.85 pair

Beautiful quality, in the best shades—beaver, tan, gray, white and black. And in the white are six styles of embroidered backs.

Under ordinary circumstances, they'd be considerably higher in price. It's an opportunity to get a supply.

Sizes 5½ to 7½. Main Aisle, Old Building

A special purchase enables us to sell 260

Handbags at \$10.50

Our \$15 to \$25 grades

Scores of styles, as there are only one or a few of a model. Generally speaking, they are bags of chiffon, velvet and brocade—their distinctiveness is in the metal, beaded, decorated, celluloid and carved imitation shell frames.

260 bags of this type are very few when the price is so little.

Main floor, Old Building

Colors are delicate greens, robin's-egg blue, mauve, pale yellow, and apricot; banded with fine lines of black, and gay contrasting color.

Smart Tie-around Spencers at \$9.75

A special purchase. We have had similar sweaters in our own stock at \$16.75. Made on surplus lines with a string girdle that ties in back. In tan, navy blue, turquoise and black.
